Sicherheitshinweise/Hinweise

Scharfe Kanten möglich – bei der Montage sind Schutzhandschuhe zu tragen.

Die Daten und Angaben der Montageanleitung dienen allein der Produktbeschreibung und dem Zusammenbau. Die Angaben entbinden den Anwender nicht von eigenen Beurteilungen und Prüfungen.

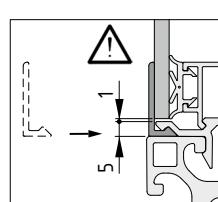

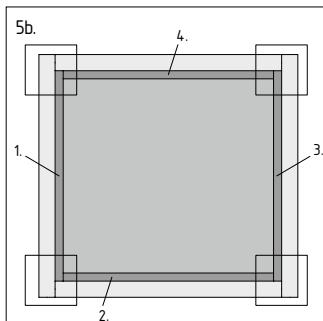

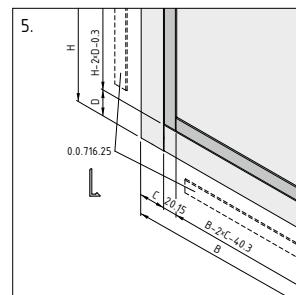

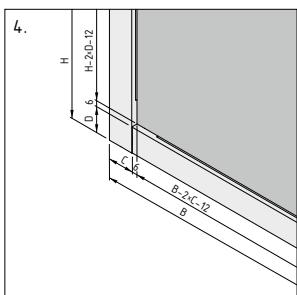

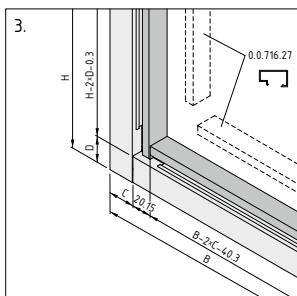

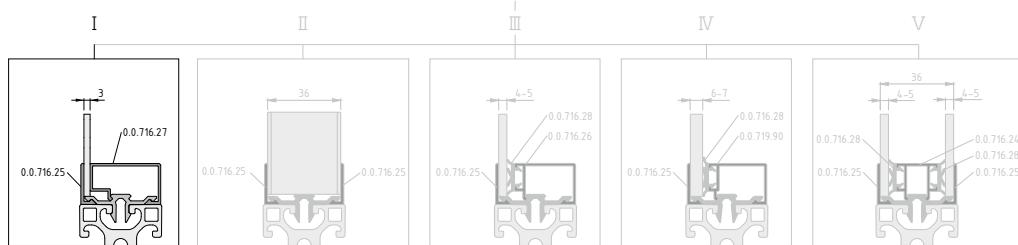

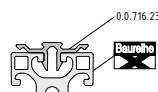

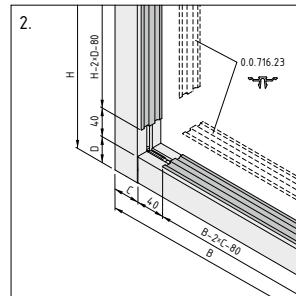

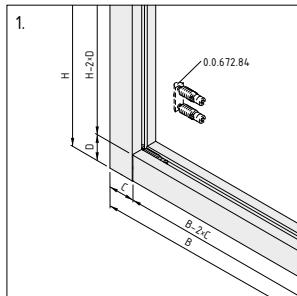

Es ist zu beachten, dass die mechanisch belasteten Komponenten einem natürlichen Verschleiß- und Alterungsprozess unterliegen. Prüfen Sie alle Bauteile vor der Montage auf offensichtliche Mängel.

HINWEIS! Um die Montage zu erleichtern, sollten Aluminiumprofile zur Flächenbefestigung 0,5 mm kürzer als das berechnete Zuschnittsmaß bestellt werden.
