

Monitor Mounting Joint 8 VESA 75-100

Strong support for all: Pivoting Monitor Mounting Joint 8 VESA 75-100 secures flatscreen monitors directly to profile constructions with a Line 8 groove. The Adapter Plate fits displays with a VESA-75 or VESA-100 connection.

The two friction joints ensure users can adjust monitors weighing up to around 11 kg horizontally and vertically to achieve the ideal viewing angle.
