# Conduit Cap 60x60 with Cable Entry Protector, black

item

✓ REACH ✓ RoHS

Conduit Cap 60x60 with Cable Entry Protector covers over the end face of Conduit Profile U 60x60 SE (0.0.487.36), while also ensuring that cables can be safely routed through.

The Conduit Cap is divided into two parts to make it easier to pass cables and lines through it. When the lid of the conduit is removed, the top section of the securely screw-attached Conduit Cap can be taken out so that cables can be quickly slotted into place or removed.
