

# Cable Entry Protector Lid 60, black

✓ REACH ✓ RoHS

Cable Entry Protector, Lid 60 is used to create an opening in Lid Profile D60 E (7.0.002.87) at the point where cables and lines need to be routed in and/or out of a conduit. The Cable Entry Protector consists of two halves, meaning a wider section of the lid can be opened up to make it easier to feed through a cable with a plug on the end.

### Scope of Delivery

2 halves
