

Corner Deflector Guard 8 W120x100

Castor Adapter Profile 8 W120x100 features three Line 8 grooves on the underside that offer variable attachment options for item Castors 140x110 swivel. Two parallel profiles form the basis for strong Base Carts that are used with mobile robots and transport solutions. Thanks to special grooves on the underside, the Castor Adapter Profile is prepared for connecting Top Modules and other load carriers. Other grooves make it easier to connect superstructures and Slide Strips.
