

Floor Strike D40 D11

✓ REACH ✓ RoHS

Floor Strike D40 D11 is the bottom fixing point for Flush Bolt 40 from item. A Round Bar D10 M10 (0.0.728.94) clips into the opening to securely anchor an inactive door leaf in place. The integrated spring-loaded dust cap stops dirt accumulating in the cavity.

This robust and flat stainless steel floor strike is virtually invisible and easy to fit. The door's drop-down seal is fitted behind the floor strike.
